CAREER SUMMARY:

Solution-oriented developer with experience in mobile, web, and backend development, skilled in building scalable software and maintaining efficient architecture. Strong in communication and collaboration.

WORK EXPERIENCE:

Virtuous Tech Solutions LTD

Frontend Developer | Oct, 2024 – Present

- Collaborated with a cross-functional team at the agency to design and develop dynamic web applications for multiple clients.
- Translated design mockups into high-quality, responsive user interfaces using modern frontend frameworks.
- Contributed to code reviews, performance optimization, and deployment processes to ensure project quality and timely delivery.

Upwork

Software Developer | November, 2024 – Present

- Delivered responsive technical support to ensure user satisfaction and long-term client retention.
- Built and maintained web applications and documentation systems using modern frameworks and programming languages.
- Collaborated with developers to enhance website functionality, streamline workflows, and implement new features.

Blue Marvel Capital

Frontend Developer | March, 2025 – July, 2025

- Developed and maintained the frontend of x-scrape for Blue Marvel Capital, ensuring a responsive and user-friendly interface.
- Collaborated with backend developers to integrate APIs and optimize overall site performance.
- Conducted testing, debugging, and UI refinements to improve functionality and user experience.

CLIENT PROJECTS:

- Clinic Lead Stack – clinicleadstack.com – Lead management system for healthcare providers.
- ScoutSesh – scoutsesh.com – Athlete development platform for coaches and players to track performance and manage training sessions.
- Recliiga – recliiga.com – A free-to-use app for recreational sports that enables drop-in leagues, team drafting, player ratings, and friendly competition.
- X-Scrape – x-scrape.vercel.app – An AI-powered social media management platform that automates content creation, scheduling, and analytics across multiple platforms through a unified dashboard.
- Emmanuel Igbinovia Foundation (EIF) – A responsive nonprofit website for women and children empowerment, and program awareness
